Digital Learning Solutions

Get ready for go live

Ready, Steady, Go...

It's time to prepare your centre and learners for the new look Learning Portal and Learning Menu.

All centres will go live on 12th April

Ready - We've published guides and familiarisation videos so you can take a look at the new look before go live.

This will give your centre time to prepare and communicate with your existing learners, before the switch, and make available any support should your learners need it.

Steady - We've made available videos and guides from the Tracking System, **Resources**, **Trainer Resources**. The resources can be customised locally, to help you communicate the changes to your learners.

Go - Go Live 12th April

FAQs

Q. Will there be any system downtime? - A. NO, there is **no** downtime.

Q. Can we opt out of using the new Learning Portal and Menu? - A. NO, the new refactored portal and menu match the accessibility regulations which all public sector organisations have a legal duty to meet. We can also only support one version of the system going forward.

Q. What do we need to do to prepare our learners? - A. Communicate the change to your learners, you can use the videos and customisable resources above if this helps.

Raise a DLS Tracking System support ticket for help, support, queries, questions, training….. EVERYTHING!

Digital learning Solutions Training Webinars

Tracking System Monthly team training webinars are now available to book. To see dates and book a place with Eventbrite click here.

Content Management System (CMS) The CMS System enables centres to create bespoke courses using national DLS content. Click here to view training dates and register for your preferred date.

Webinar
