2019 Annual Survey— Has your centre completed it yet?

The DLS 2019 Annual Survey has been released via email to centre managers.

Thank you to all the centres who have taken a few minutes out of their day to give us their opinions on the services currently provided.

If your centre hasn't completed the online Smart Survey yet we'd really appreciate it if you could do so soon and provide us with feedback from your centre.

We've extended the survey closing date to Monday 14th October to provide the remaining centres with an opportunity to tell us what they think about our products and services so that the DLS team can use this as a basis for improvement.

As we did in 2018 and as an added incentive to complete the survey this year, we are offering one lucky respondent the chance to win a free Content Creator licence (our in house elearning development software). The winner will be picked at random after the survey closes.
