March IT Skills Pathway Tracking System Webinar

We run monthly two hour training webinars for new centres or centres wanting a refresh about using the pathway and materials. The IT Skills Pathway Tracking System webinars go through the tracking system and materials in lots of detail and give attendees an opportunity to ask lots of questions.

The March session will be held on Monday 10 March, 10 - 12. If you would like to attend please contact us by email (it.skills@hscic.gov.uk) and we'll book you in. We will send the dial in details out to those booked on about a week before each session.

If you would like to attend a webinar but are unavailable on this date please let us know and we'll look into adding another date into the diary.

Please also contact us by email (it.skills@hscic.gov.uk) if you are interested in these sessions but are not yet set up as a centre.

New menus webinar

We continue to run webinars to show the layout of the new menus that you'll see in the level 2 and 3 materials. The next session will be Wednesday 12 March, 11:00 – 11:30. If you'd like to find out more about the new menus then please book a place by emailing it.skills@hscic.gov.uk
