## August IT Skills Pathway Tracking System Webinar

We run monthly two hour training webinars for new centres or centres wanting a refresh about using the pathway and materials. The IT Skills Pathway Tracking System webinars go through the tracking system and materials in lots of detail.

The August session will be held on Tuesday 19th August, 10 - 12. If you would like to attend please contact us by email ([it.skills@hscic.gov.uk](mailto:it.skills@hscic.gov.uk)) and we'll book you in. We will send the dial in details out to those booked on about a week before each session. If you would like to attend a webinar but are unavailable on this date please let us know and we'll look into adding another date into the diary.
